Escondido, CA 92025

For all those who are planning to come to our dance--remember--it is limited to the fully vaccinated. Here's the scoop on how to get in:

Entry is limited to those who have been fully vaccinated for Covid 19. If you provided proof of vaccination for our 10 July dance, your name is on a list that will be checked and no further action is required. For all others, provide proof of vaccination by showing the original or a photo copy of the vaccination card upon check-in at the dance. Because all attendees will be fully vaccinated, masks are not required but are optional.

**** Next dance is 17 Sep--details to follow later ****
